

K-LOVE is invaluable to me as a Christian and as a parent. My daughter loves to listen to "Jesus music", as she calls it and that makes me proud. Without K-LOVE I would have to worry about the music that she listens to. I can not imagine a better parenting tool than K-LOVE.

K-LOVE is extremely important to our community as well!!! People everyday come to know that God loves them no matter what. When I'm in a bad mood or having a bad day, the songs on K-LOVE are exactly what I need to hear. This is an extremely important tool for God's work. Replacing K-LOVE would be detrimental to our world!!

Why would anyone want to replace K-LOVE? The only one who would truly want that would be Satan!! Satan and his helpers want you to replace K-LOVE, but if you believe in God even just a little bit, then you know that K-LOVE is the best for the public. If someone, God forbid, did not want to listen to K-LOVE, then all they have to do is change the channel. What about those of us that never change the channel and all we listen to is K-LOVE? What are we supposed to do? God is everything to us and all we have. Removing K-LOVE from our lives would be a sin.
